

Swachhata Pakhwada

Responding to the Nation's call IIT Bhilai has taken the lead in launching the "Swachhata Pakhwada" in the campus from 01st Sep to 15th Sep 2019. The mission is being launched on the concept of Mahatma Gandhi's vision, "Sanitation is more important than independence". It was envisaged that such activities will help to make the environment clean and keep us healthy. An appeal has been made to keep the office and colony premises clean to avoid incidences of diseases. A mass cleaning campaign was conducted in the institute premises. NSS-IIT Bhilai organized a paper bag making activity in observance of swachhta pakhwada on 12 September 2019. Harmful effects of plastics were also discussed. The team advocated the message that single-use plastic should be banned. IIT Bhilai students crafted more than 300 paper bags and these will be distributed to sellers within a few days.
