

Inauguration of The Chinese Language Training Centre at IIT Bhilai

The Chinese Language Training Centre was inaugurated at IIT Bhilai on 20th August, 2018. This Centre is a product of the Memorandum of Understanding (MoU) signed earlier this year between IIT Bhilai and the National Chin-yi University of Technology (NCUT), Taiwan. NCUT, Taiwan is a prestigious public university offering education in Engineering, Humanities and Management. Although, at present, the Chinese Language Training Centre will provide its services to the IIT Bhilai community, the scope of the Centre will likely widen in the near future. It is all set to emerge as the hub for Chinese Language Education for the state of Chattisgarh.

On the occasion of the inauguration, NCUT, Taiwan was represented by delegates including the honourable president of the institute, Dr. Wen-Yuan Chen, who, after a ceremonial lamp lighting, alongwith Prof. R.K. Thareja of IIT Bhilai formally inaugurated the Center. Dr. Wen-Yuan Chen addressed the audience and expressed his pleasure at this opportunity of joint collaboration; he also enthusiastically shared his vision about the future growth and success of the Centre. The inauguration ceremony was also attended by dignitaries from Chattisgarh Infotech Promotion Society, Government of Chattisgarh (ChiPS), and India Electronics and Semiconductor Association (IESA).
