

Shashikant Shingdilwar receives Second Prize in Poster Competition at the One Day National Conference on “Recent advances in Functional Nanomaterials”

Shashikant Shingdilwar, Ph.D. student in the Department of Chemistry, working under the supervision of Dr. Sanjib Banerjee has been awarded *SECOND PRIZE* in poster competition in the prestigious One Day National Conference on “*Recent advances in Functional Nanomaterials*” at the Pt. Ravishankar Shukla University, Raipur, Chhattisgarh on 28th September, 2018. He received the award from the Honorable President of the Indian Chemical Society, Professor D. C. Mukherjee.

He is currently involved in the research and development of functional materials for carbon-di-oxide capture and reuse. He is using bio-sourced materials as a precursor in order to fabricate the final target materials. His long term goal is to reduce the carbon foot print of our country.
