

Virtual Labs Workshop @IIT Bhilai

IIT Bhilai is taking an active role to facilitate the students of the State of Chhattisgarh to get the benefit of virtual lab technology. In this regard, it is our great pleasure to announce that Institute's Innovation Council of IIT Bhilai is planning to host a workshop in collaboration with GEC Raipur and IIT Guwahati on 26th and 27th March, 2019. The aim of this workshop is to introduce Virtual Labs, a Mission Project developed under the aegis of National Mission on Education through ICT (NMEICT), MHRD.

Virtual Labs are truly '*any-place, any-pace, any-time, any-type*' Labs!"
